OFFICE ORDER NO. 43 /2013

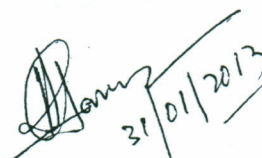

Date: 30.01.13

31

The Company provides Laptop and Mobile Handset to eligible senior officials for their official use as per approval of the competent authority. On their retirement from the service, the concerned officers return the same, but fact shows that those sets are not generally reused by the successor officers and remain idle leading to accumulation of such used sets and for remaining unused, those become unusable.

Keeping in view the above as well as for disposal of such used Laptop and Mobile Handsets, the Board of Directors of the Company in its 30th meeting held on 28th January 2013 is pleased to approve this Scheme of offer from the Company to the user officials to retain those sets at the time of their retirement on superannuation from the services of the Company / completion of contractual services on discounted price @ 20% per year subject to payment of minimum of 5% of the purchase price of Laptop and Mobile Handset.

This Order takes immediate effect.
