

WEST BENGAL STATE ELECTRICITY BOARD

Vidyut Bhavan, Block- DJ, Sector-II, Bidhannagar, Kolkata – 700 091

Subject: Gist of the order dated February 13, 2007 of the Hon'ble West Bengal Electricity Regulatory Commission determining the Transmission Charges and Wheeling Charges payable to WBSEB.

i) Transmission charges and wheeling charges to be recovered by WBSEB during 2006-07 from the Open Access Customers including Captive Generators for conveyance of energy through its transmission system and distribution system respectively.

TRANSMISSION CHARGES

(a) For the long-term Open Access Customers generating energy from sources other than co-generation and renewable energy sources. Rs. 1,06,687/- per MW/month

(b) For the short-term & temporary Customers generating energy from sources other than co-generation and renewable energy sources. Rs. 889/- per MW/day

(c) For the long-term Open Access Customers generating energy from co-generation and renewable energy sources. Rs. 71,125/- per MW/month

(d) For short-term open access customers generating energy from co-generation and renewable energy sources. Rs. 593/- per MW/day

WHEELING CHARGES

(a) From the Open Access Customers generating energy from sources other than co-generation and renewable energy sources. 64.15 Paise/kwh

(b) From the Open Access Customers generating energy from co-generation and renewable energy sources. 21.38 Paise/kwh or 7.5% of the cost of energy supplied in grid whichever is higher.

ii) Any under/over recovery of the total amount of fixed charges attributable to transmission system and distribution system, as the case may be, due to variations in the system demand and sales will be considered for adjustment in the rates to be fixed for the long-term Open Access Customers for subsequent year on receipt of the audited statement of accounts,

iii) Any other charges payable by the Open Access Customers in terms of the Commission's (Terms & Conditions for Open Access - Schedule of Charges, Fees and Formats for Open Access) Regulation, 2005, read with the Commission's (Co-generation and Generation of Electricity from Renewable Sources of Energy) Regulations, 2006, will be in addition to the Transmission and Wheeling Charges as stated above,

iv) The meter reading for billing the transmission/wheeling charges is to be done jointly by WBSEB and the Open Access Customers. For details, the order of the Hon'ble Commission dated 13th February, 2007 may be referred to, which is available from the Commission's office or Commission's website (www.wberc.net). Copy of the order may be obtained from the office of the Commission at FD-415A, Poura Bhavan (3rd Floor), Sector-III, Bidhannagar, Kolkata - 700 106 following the procedure laid down in the Hon'ble Commission's conduct of Business regulation, 2003. The notification has been issued with the approval of the Hon'ble Commission.
