5.0 Qualifying Requirement for bidders:

In addition to the requirements stipulated under Section, Instruction to Bidders (ITB), the following shall also apply:

6.1) Technical Qualification

A) Technical Qualification of the manufacturer of GIS equipment as the Bidder:

- (i) The Bidder/parent Licensee should have experience of design, manufacturing, testing and supply of Rated KV or higher class GIS assembly as per this tender having minimum 3 (three) nos. complete GIS bays including one number circuit breaker feeder bay, one number circuit breaker transformer bay which have already been installed and commissioned in India during last 5 years from the date of bid

submission and the said GIS equipment are under satisfactory operation for at least one year on date of Bid submission.

- (ii) The bidder, must have successfully erected, tested and commissioned on supply cum erection basis Rated kV or higher class substation as per this tender, (either AIS or GIS) under Turnkey contract in India including complete design and engineering (both electrical and civil), having at least 3(three) nos. Rated KV or higher KV class complete bays including one number feeder bay, one number transformer bay in India during last 5 years from the date of bid submission which must be in successful operation for at least one year from the date of Bid submission.
- (iii) All equipment including GIS equipment offered for this package shall be type tested within the last 10 (Ten) years.

B) Technical Qualification for Indian EPC sub-station contractor as Bidder:

- (i) The bidder, must have successfully erected, tested and commissioned on supply cum erection basis Rated kV or higher class substation as per this tender, (either AIS or GIS) under Turnkey contract in India including complete design and engineering (both electrical and civil), having at least 3(three) nos. Rated kV or higher kV class complete bays including one number feeder bay, one number transformer bay in India during last 5 years from the date of bid submission which must be in successful operation for at least one year from the date of Bid submission.
- (ii) The bidder shall supply Rated kV or higher class GIS equipment as per this tender from any national / internationally reputed manufacturer of GIS equipment who meets the QR as laid down in Serial 6.1 A) (i) above. However, the Bidder must obtain authorization from the manufacturer of GIS equipment meeting the above criteria supported by **legally enforceable undertaking jointly with the GIS manufacturer**

to guarantee quality, timely supply, performance, service support, availability of spares during lifecycle of the offered equipments and defect liability obligations as specified in the relevant technical specification and General Condition of Contract. **The same is also applicable if bidders' parent company (principals) is the supplier of GIS equipment.**

- (iii) All equipment including GIS equipment offered for this package shall be type tested within the last 10 (ten) years.

Supporting documents in favour of all the above mentioned requirement shall have to be uploaded by the Bidder as well as its hard copy is to be enclosed along with the confirmatory hard copy of the Techno-commercial Bid. Failure to furnish any or all information as required as a part of Bid document in every respect will be at the Bidder's risk and may result in rejection of the Bid.

6.2 Personnel Capability

The bidder must have full-fledged set up for executing similar turnkey projects. Details of execution set up to be deployed by the bidder shall be furnished in their offer.

Project Management team shall be headed by a Project Manager (Engineering Graduate) with at least 10 (ten) years experience in execution of such contract of comparable nature. He shall be stationed at work site. **However, installation, testing and commissioning of GIS equipments shall be done under direct supervision of the original GIS equipment manufacturer.**

6.3 Financial

- i) In order to qualify for this package, the bidder must be having Financial Net Worth at the end of last financial year not less than **Rs 5.0 Crore** (Rupees Five Crore only).
- ii) Average Annual Turnover during last three financial years shall not be less than **Rs 20.0 Crore** (Rupees Twenty Crore only).

6.0 WBSETCL reserves the right to accept or reject any bid partly or fully or cancel the bidding without assigning any reasons thereof and in such case no bidder/ intending bidder shall have any claim arising out of such action.
