6.0 Qualifying Requirement for bidders:

In addition to the requirements stipulated under Section, Instruction to Bidders (ITB), the following shall also apply:

6.1 Technical Qualification

In addition to the requirements stipulated under Section, Instruction to Bidders (ITB), the following shall also apply:

- i) The bidder, must have successfully erected, tested and commissioned on supply cum erection basis Rated KV or higher class complete substation as per this tender, (either AIS or GIS) under Turnkey contract in India including complete design and engineering (both electrical and civil), having at least 3(three) nos. Rated KV or higher KV class complete bays including one number feeder bay, one number transformer bay in India during last 5 years from the date of bid submission which must be in successful operation for at least one year from the date of Bid submission.
- ii) The bidder should submit history of past supply, client's certificate in support of satisfactory operation of rated KV or above KV class air insulated/gas insulated substation meeting the criteria as mentioned in a above.
- iii) All equipments including GIS module must be supplied from any of the approved vendors of WBSETCL as available in the makers list uploaded in the company website.
- iv) In respect of GIS modules, any Bidder participating as an EPC Contractor must obtain authorization from at least two of the approved manufacturers of GIS equipment by submitting **legally enforceable undertaking jointly with the GIS manufacturer** to guarantee quality, timely supply, performance, service support, availability of spares during lifecycle of the offered equipments and defect liability obligations as specified in the relevant technical specification and General Condition of Contract.

In case any WBSETCL approved GIS manufacturer intends to offer the GIS module of another manufacturer from the approved makers list of WBSETCL must also submit similar **legally enforceable undertaking**.

- v) All equipment including GIS equipment offered for this package shall be type tested within the last 5 (Five) years.
- vi) WBSETCL reserves the right to assess the performance of the bidder having one or more ongoing contracts awarded to them by WBSETCL on the basis of its (WBSETCL's) Vendor Rating in respect of erection part of the Contract(s) and reject the bid if the average rating of the bidder of last one (1) year from the final date of bid submission of the tender is derived under rating of "D" i.e. "POOR".

Average rating is derived on the basis of monthly rating that is published in the "Performance of sub-station Vendor based on Vendor rating" sheet submitted in the PRT Meeting of WBSETCL in each month.

6.2 Personnel Capability

The bidder must have full-fledged set up for executing similar turnkey projects. Details of execution set up to be deployed by the bidder shall be furnished in their offer.

Project Management team shall be headed by a Project Manager (Engineering Graduate) with at least 10 (ten) years experience in execution of such contract of comparable nature. He shall be stationed at work site. **However, installation, testing and commissioning of GIS equipments shall be done under direct supervision of the original GIS equipment manufacturer.**

6.3 Financial

- I. The net worth at the end of last financial year shall be not less than **Rupees 7.00 Crore (Rupees Seven Crore)** only.
- II. The average yearly turnover over the last three financial years shall not be less than **Rupees 28 Crore (Rupees Twenty Eight Crore)** only.

7.0 WBSETCL reserves the right to accept or reject any bid partly or fully or cancel the bidding without assigning any reasons thereof and in such case no bidder/ intending bidder shall have any claim arising out of such action.
