17.1 Commissioned Capital Assets financed by the customers, deemed to be transferred to the Company in terms of Regulations framed by the West Bengal Electricity Regulatory Commission are in the process of identification. Amount received against identified project has been recognized as revenue over the period of useful life of the project.

17.2 Other Current Liabilities include Consumer Contribution to Capital Assets which represent advances received from customers for construction of transmission assets. The mapping of such advances with the completion status of the related project is being carried out . Pending completion of such process in entirety , no adjustment has been given in the books. However the management is of the view that the consequential impact (if any) would not be material compared to the size and business volume of the company.
